EXECUTIVE SUMMARY

I am a passionate web developer with three years of experience in Javascript. I worked on js libraries and frameworks like angular, nodeJs, react, reactnative, graphql, expressJs, etc. to develop different Web and mobile applications. On the database side, I have worked on mySQL, firebase and mongodB. I have an experiance from web designing, coding, database modelling, Authentication, usersroles to web hosting. I like to learn new js libraries and new technologies like DevOps, AWS cloud services etc.
